ROAD TO MY FUTURE

High school students at Griswold recently finished online career assessments through Carolyn Garrett, LMFT and RoadToMyFuture.com. A completed 27-page individualized report is being presented to students this month, along with a 2 hour workshop. This report will direct Griswold students in their own future career and college planning. Students will learn how to explore their future academic and job roads by using their own unique interests and personality styles. This is an exciting academic counseling tool for our students. Please ask to see the completed report, along with a parent letter and explanations. Your student is enjoying the insight this tool is giving them into their after-high school planning.

Since the seniors did not participate in this career assessment program, there is another one scheduled for Saturday, **June 21st in Pendleton from 10 AM to 12 noon.** Carolyn will include Griswold seniors for a reduced cost of \$50.00 that includes the assessment and workshop. Please call Carolyn at 541-215-3428 by **June 10th** to be a part of this important program.

STUDENTS FUNDRAISE FOR DC/NYC TRIP

Contact Sharilyn if you are interested. We will travel June 18-23, 2015.
